

location

Kangaroo Island is a large island (90x35 miles) off the coast of South Australia. Nearest gateway city is Adelaide and access is via air or sea with daily scheduled services. Most of our guests choose to fly due to convenience and time constraints.

vacations

We can arrange complete packages for Kangaroo Island including flights, small-group or private touring, accommodation in a category of your choice and a wide range of nature experiences. We can combine Kangaroo Island with other complementary Australian experiences to make an unforgettable journey.

EXCEPTIONAL KANGAROO ISLAND

Good food, good wine and wildlife in the wild

Craig and Janet Wickham
Proprietors, Exceptional Kangaroo Island

a personal invitation

Although it is the wide open spaces populated by some pretty strange animals that will bring you to Australia it is the warmth of the Australian people which will bring you back. Please accept our invitation to come and explore Kangaroo Island - the place we are lucky to call home. Sara has been to visit so why don't you?

experience

As a welcome guest you will find the Island delivers many of the Australian elements you have dreamt of - red dirt roads, sheep and cattle farms, rugged coast and beautiful white sandy beaches, Eucalyptus trees stretching off to the horizon, amazing wildlife, excellent local produce and warm Australian hospitality.

exceptional kangaroo island

Our expert guides will take you exploring in comfortable 4x4 vehicles, visiting private sanctuaries and National Park reserves. We have a conversation not a commentary - so you can learn about things which interest you.

bon appetit

Essential to a vacation is great food and wine which tastes even better outdoors. Enjoy home-baked morning teas and elegant picnics or bbqs at remote private locations - we promise good food, good wine and wildlife in the wild.

relax

You're our guest - let us do the planning so you can get on with enjoying your vacation - wildlife, wild landscape and spectacular coastlines.
