

## Kings Canyon Wilderness Lodge

Kings Canyon Wilderness Lodge is exclusively located on Kings Creek Station, a fully operational cattle and camel station of 1800 square kilometres. Set in a secluded part of the Station amongst the Desert Oak trees, guests receive the greatest comfort in the Outback with the perfect opportunity to absorb the natural landscapes, including the surrounding George Gill Ranges. There are 10 luxury and exclusive tented cabins with full, private ensuite facilities, all air-conditioned. Gourmet outback meals are served in the quaint dining/lounge communal area or in the warmer months under the southern sky, and after dinner, guests enjoy the Outback with a glass of wine or coffee around the campfire. A range of optional activities are available from the station including quad bike rides, camel rides and helicopter rides (all charges are payable direct). Special tours operate in the surrounding region from the Lodge to visit Aboriginal petroglyphs (ancient stone carvings in rocks).
